Dear our valued customer

Notice of E-invoice implementation

We Ebcotech will implement E-invoice effective 1st July 2025.

During this 6 months relaxation period, we will continue to provide our standard receipt!/ invoice, which remain valid for your record keeping and tax filing purposes.

If you specifically require an e-invoice format document, we may try our best to accommodate your request if it is practical.

Thank you for your understanding and continue support to us.
